What other markets or venues do you participated in?

Our goal is to support local businesses by seeking authentic, locally sourced products that reflect the character of our community. We carefully curate our vendors to ensure their goods are genuine and locally produced whenever possible. Our market brings together local farmers, artisans and specialty food vendors to create a vibrant community gathering place centered around fresh food, handcrafted goods and unique local offerings. We strive to maintain a diverse marketplace that meets the needs of the community while supporting quality, sustainability and the success of every vendor.
